

European elections June 09, 2024

We create Europe We are Europe

We shooters stand as a united Europe...

... for peace and freedom.

... for the protection of the vulnerable.

... for human dignity and rights.

... for the protection of the environment.

... for unity in diversity.

... for understanding and cooperating.

We shooters stand up against hatred and agitation, against extremism and racism!

We are going to vote on June 09, 2024.

European community of historic guilds
